## ABOUT ME

---

Front end developer with an experience of creating effective websites that give users an immersive and interesting experience. Through my precise and efficient coding, which I was trained about, I have been attempting to fully meet user expectations. I'm determined to enhance my skills, So I can provide best of me. I don't see perfection in me but I always try to deliver best of me.

## WORK EXPERIENCE

---

### Web developer

**Ideatech Software House** [ 01/06/2019 – 31/12/2019 ]
